WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

LEGOLAND®

"ONE DAY I'LL BUILD A LAND ROVER." ONE DAY IS NOW.

A trusted, trail-blazing traveler on off-road explorations, a symbol of rugged strength and a nostalgic collectible. Originally built in post-World War II Britain as a sturdy and reliable farm utility vehicle, the versatile Land Rover has become one of the most recognized and coveted vehicles

in the world. For 75 years, Land Rover models have evolved with innovative technology and design. Still, the appeal of the original hands-on construction and mechanics is felt in the details of every new generation; most of all in the Land Rover Defender series.

« UN JOUR, JE CONSTRUIRAI UNE LAND ROVER. » CE JOUR, C'EST AUJOURD'HUI.

Un véhicule de confiance, pionnier des explorations tout-terrain, un symbole de robustesse et un objet de collection nostalgique. Construite à l'origine dans la Grande-Bretagne d'après la Seconde Guerre mondiale comme un véhicule utilitaire agricole robuste et fiable, la polyvalente Land Rover est devenue l'un des véhicules les plus reconnus et

les plus convoités au monde. Depuis 75 ans, les modèles de Land Rover ont évolué grâce à une technologie et à une conception innovantes. Pourtant, l'attrait de la construction et de la mécanique d'origine se ressent dans les détails de chaque nouvelle génération, surtout dans la série Land Rover Defender.

"UN DÍA CONSTRUIRÉ UN LAND ROVER". ESE DÍA YA LLEGÓ.

El viajero más confiable, todo un pionero de las exploraciones en carreteras y donde no hay estas, un símbolo de fuerza y robustez y un objeto de colección que evoca nostalgia. Creado originalmente en la Gran Bretaña de la posguerra luego de la Segunda Guerra Mundial como un resistente vehículo utilitario para el trabajo del campo, el versátil Land Rover se ha convertido en uno de los vehículos

más reconocidos y deseados del mundo. A lo largo de 75 años, los modelos del Land Rover han evolucionado con nuevas tecnologías y diseños de vanguardia. No obstante, el atractivo de su construcción y mecánica artesanales aún puede percibirse en los detalles de cada nueva generación, particularmente en los vehículos de la serie Land Rover Defender.
